Head Coach Andrew Palileo

Andrew Palileo enters his fifth season as head coach of the South Dakota State University volleyball program after leading the Jackrabbits through a successful transition from NCAA Division II to Division I during the 2004 season.

In his first season at SDSU, Palileo led the Jackrabbits to the NCAA Division II championship match, closing the 2001 season with a national runner-up finish and a 28-6 record. Prior to winning the first volleyball regional title in school history, Palileo also guided SDSU to a second-place finish in the North Central Conference, tying a team-best 15-3 mark in league play.

The Jackrabbits nearly repeated that success during the 2002 season, compiling a 28-7 overall record and reaching the North Central Regional title match for the third consecutive year. SDSU also finished second in the North Central Conference with a 12-4 record. During the 2002 season SDSU attained its highest-ever national ranking with a No. 2 showing in the American Volleyball Coaches Association Division II poll for the first three weeks of the season.

Following a 13-19 record during a rebuilding season in 2003, Palileo and the Jackrabbits returned to their winning ways in 2004 by making their debut in Division I a successful one with a 22-12 record. SDSU compiled a 13-6 record against Division I opponents, including a 5-1 mark and second-place finish at the season-ending La Quinta Independent Championships in Orem, Utah.

The 2001 AVCA North Central Region Coach of the Year, Palileo has accumulated a 176-89 record (.664 winning percentage) in eight seasons as a head coach, including a 91-44 mark (.674 winning percentage) in his four seasons at SDSU. He currently ranks fourth in volleyball coaching victories at SDSU, entering the 2005 season 11 wins away from passing Deb Allyn (101-98 record from 1983-87) for third place.

Palileo took over the reins of the SDSU volleyball program in the spring of 2001 following a successful four-year stint (1997-2000) at Bethel College in St. Paul, Minn. Palileo led the Royals to an 85-53 mark (.616 winning percentage) in his four years, including three straight 20-win seasons. His 1999 team, which finished the season 25-12 overall, won the first Minnesota Intercollegiate Athletic Conference title in school history and qualified for the NCAA Division III National Championships. Palileo was honored as the MIAC Coach of the Year in 1999.

Originally from Hawaii, Palileo attended Crown College in St. Bonifacius, Minn., earning a bachelor's degree in missiology in 1991. He added a bachelor's degree in social science and secondary education at Crown in 1995, and earned a master's degree in educational leadership at Bethel in 2000.

Palileo began his volleyball coaching career as a junior varsity coach at Waconia (Minn.)

High School in 1986 before moving on to the club ranks. He served as director of the Waconia Junior Olympic Program from 1991-95, and later moved on to direct the Crosstown Junior Olympic program in Edina, Minn.

In 1997, Palileo added the Heartland Adidas Select Volleyball Program and the head coaching job at Bethel College to his coaching responsibilities. His Heartland Adidas teams qualified for the national tournament four consecutive years as he compiled a 159-43 record with the 18-year-old team.

In addition to serving as head coach of the Midwest Volleyball Instructor Elite Camps, Palileo has served as a clinician for the Midwest Volleyball Instructors and Minnesota High School Volleyball Coaches Association camps.

Assistant Coach Phil McDaniel

Phil McDaniel begins his first season as assistant volleyball coach at South Dakota State University in 2005, after helping guide New Mexico State to consecutive appearances in the NCAA tournament.

McDaniel served the last three seasons as an assistant coach at NMSU, where he helped lead the Aggies to an 86-15 overall record, three straight Sun Belt Conference titles and NCAA appearances in 2003 and 2004. In addition to his duties at New Mexico State, McDaniel was head coach of the Diamondback Volleyball Club in Las Cruces.

Previously, McDaniel compiled a 42-7 record as head coach at J.H. Rose High School in Greenville, N.C., and also served as director of coaches for the East Carolina Junior Volleyball Club.

A native of Decatur, Ill., McDaniel earned a bachelor's degree in criminal justice from Culver-Stockton College (Mo.) in 1996. At Culver-Stockton, McDaniel competed on the varsity soccer and tennis squads.

He added a master's degree in counselor education at the University of Wisconsin-Platteville in 1998.

Assistant Coach Cara Bartolic

Cara Bartolic joins the Jackrabbit volleyball coaching staff for the 2005 season as an assistant coach.

A native of Sartell, Minn., Bartolic played volleyball at nearby St. Cloud State from 2000-03. She was named the team's top defensive player in 2003, when she recorded a team-high 374 digs.

Bartolic served as an assistant coach at St. Cloud Cathedral High School in 2004, while finishing work on a bachelor's degree in applied statistics. She also has coached at the club level with the Heartland South Junior Olympic Volleyball Club and served on the coaching staff at numerous camps and clinics in Minnesota and Wisconsin.

She is pursuing a master's degree in sport pedagogy at SDSU.

Assistant Coach Liz Archer

Former Jackrabbit standout Liz Archer returns to the South Dakota State volleyball program as an assistant coach for the 2005 season.

A two-time Daktronics Division II All-America selection, Archer holds the SDSU career record for digs with 1,615. She ended her playing career in 2002 with a then-single-season record 595 digs as she earned the last of her two North Central Conference Defensive Specialist of the Year awards.

A native of Apple Valley, Minn., Archer holds the distinction of being the only Jackrabbit player in history to play in four NCAA postseason tournaments (1998, 2000, 2001, 2002).

Her previous coaching experience includes working with the Brookings-based High Plains club team.

Archer graduated from SDSU in 2003 with a bachelor's degree in family and consumer sciences. She is currently pursuing a master's degree in counseling at SDSU.

Administration

PEGGY GORDON MILLER
PRESIDENT

Dr. Peggy Gordon Miller became South Dakota State University's 18th president on January 1, 1998, following the retirement of Robert T. Wagner.

Before becoming president of SDSU, Miller was a senior fellow and acting vice president for Academic and International Programs at the American Association of State Colleges and Universities in Washington, D.C.

She has extensive collegiate education leadership experience at The University of Akron, where she served as president from 1992 to 1996, and Indiana University Northwest, where she served as chancellor from 1983 to 1992.

Miller earned her doctorate in secondary education from Indiana University, her master's degree in English and secondary education from Northwestern University, and her bachelor's degree from Transylvania University. She taught high school in Gary, Indiana, and moved into various teaching and administrative positions in the Indiana University system.

She amassed a broad range of national experience and made extensive contacts in the Washington community. Miller currently serves on the corporate boards of Lubrizol Corporation and A. Shulman Incorporated.

FRED OIEN
ATHLETIC DIRECTOR

Dr. Fred Oien became the 11th director of athletics at South Dakota State University on July 1, 1990.

Oien earned his bachelor's degree at SDSU in 1972 and has been on the SDSU staff since 1979, serving as athletic business/ticket manager from 1981 until his appointment as director of athletics. Oien is a 1968 graduate of Baltic (S.D.) High School. He added a master's degree at SDSU in 1975, then completed his doctorate (Ed.D.) at the University of Massachusetts-Amherst in 1979.

Oien taught physical education and health at the Brookings Middle School from 1973-76, during which time he was varsity golf coach for both boys and girls, and middle school basketball and football coach. His golf teams won state championships for both boys and girls. Oien also was women's golf coach at SDSU, guiding the Jackrabbits to one North Central Conference championship. The SDSU women's golf team of 1982 was voted South Dakota Women's College Team of the Year.

NANCY NEIBER
SR. WOMAN ADMINISTRATOR

Nancy Neiber became South Dakota State University's first senior woman administrator for athletics when she stepped down as head women's basketball coach in June 2000.

Her duties include sport supervision, fund-raising, public relations, overseeing student-athlete programs and instruction in HPER academic programs.

The winningest basketball coach in SDSU history with a 301-140 record, Neiber coached the Jackrabbits for 16 seasons (1984-2000) and led SDSU to 14 consecutive winning seasons, two second-place finishes in the North Central Conference and six NCAA postseason appearances. Six times Neiber-coached teams won 20 games in a season, including two 25-win seasons. She was named NCC Coach of the Year in the 1988 and 1995. In 2003, she was inducted into the South Dakota Sports Hall of Fame.

A native of Pierre, Neiber coached at both the high school and collegiate levels in South Dakota. A 1969 graduate of Black Hills State, Neiber's previous collegiate coaching experience was as a graduate assistant at SDSU and as an assistant coach at Dakota State. She also spent seven seasons as head girls' basketball coach at Mitchell High School, leading the Kernels to three state tournament berths.

MYLO HELLICKSON
FACULTY REPRESENTATIVE

Dr. Mylo Hellickson has been South Dakota State University's faculty representative to the North Central Conference and NCAA since 1977, and as such also is chairman of the Athletic, Intramural and Recreation Committee on campus.

Hellickson recently returned to the classroom as a professor in agricultural engineering after serving several years as director of agriculture Extension at SDSU. He has been on the SDSU staff since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson's specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture.

A native of Belfield, N.D., he earned a bachelor's degree in agricultural engineering from North Dakota State University in 1964, added a master's degree in ag engineering from NDSU in 1966, then earned a Ph.D. in engineering at West Virginia University in 1969.

Hellickson was presented the North Central Conference Meritorious Service Award at the November 1990 meeting.

Credentials

All requests for media credentials for SDSU volleyball home matches should be directed to assistant sports information director Jason Hove at least 24 hours prior to the event.

Credentials will be mailed if requests are received a week or more in advance. Otherwise, credentials may be picked up at the Jackrabbit Ticket Office inside the Stanley J. Season Preview

The 2005 season figures to be a pivotal year for the South Dakota State University volleyball team.

SDSU made a splash in its inaugural season at the Division I level in 2004, finishing the season with a 22-12 record for the program's ninth 20-win season in 10 years. That record included a 13-6 mark against Division I opposition and a final ranking in the upper third of the D-I ratings percentage index (RPI) figured by RichKern.com.

"We really responded well to the challenge of moving up and hopefully our girls will go into this year with the confidence to be able to compete against those teams on a consistent basis," said Jackrabbit head coach Andrew Palileo, who enters his fifth season at SDSU with a 91-44 record.

Palileo is hoping a strong 2005 season serves a springboard into the 2006 campaign, when SDSU will be eligible for an NCAA postseason berth. Shortly after the 2004 season began, the Jackrabbits were notified that an NCAA subcommittee had approved the school's request for fast-track reclassification for its volleyball and wrestling programs. All other Jackrabbit teams will be eligible for NCAA postseason competition during the 2008-09 season.

"The kids are excited about us moving to Division I and that we're going to be competing at the highest level," Palileo said.

KRISTINA MARTIN EARNED Independent Newcomer of the Year honors after averaging 2.92 kills and 1.97 digs per game in 2004.

SDSU enters the season with three returning starters penciled into the opening day lineup. A fourth starter, junior Carley Boll, suffered a knee injury during the offseason and will miss the entire 2005 season, leaving the Jackrabbits without an experienced starter at the middle hitting position.

"We really responded well to the challenge of moving up and hopefully our girls will go into this year with the confidence to be able to compete against those teams on a consistent basis."

— SDSU head coach Andrew Palileo

At outside hitter, second-team all-independent selections Minette Ridenour and Kristina Martin anchor the front row. Ridenour, a junior from Council Bluffs, Iowa, led the team with 422 kills (3.49 kpg) and was second on the team with 412 digs (3.40 dpg). Martin, from Hubertus, Wis., enjoyed an outstanding first season, compiling an SDSU freshman-record 351 kills (2.92 kpg) en route to earning Division I Independent Newcomer of the Year honors. After playing on the left side most of the 2004 season, Martin will move to her natural hitting position on the right side this year.

The final starting outside hitting spot will be up for grabs between incoming freshmen Mackenzie Angner, Danielle Norby and Laura Slagter.

"We've got all kinds of options," Palileo said.

Angner played for one of the top high school programs in the country at St. Ursula Academy in Cincinnati, Ohio, while Slagter led the Twin Cities Metro Area with 362 kills as a prep senior at Mounds View High School. Norby is a dual-sport athlete from Windom, Minn., who also will compete in track and field at SDSU.

At setter, junior Kristie Klusaw returns as the starter after handling the bulk of the setting duties during the second half of last season. She averaged 8.34 assists per game as the Jackrabbits implemented a 6-2 attack for part of the season. Palileo said SDSU will use the 6-2 setup again this season for certain matchups, utilizing backup setter Steph Behm

(8.03 apg in 2004) to allow the Jackrabbits to use three hitters in the front row at all times.

"It seems to work out well until the end of the year when we know what our lineup strengths are going to be," Palileo said.

A rule change upping the number of substitutions from 12 to 15 per game will give the Jackrabbits more leeway in that setup this season.

The middle hitting position remains the team's biggest area of concern heading into the season. During spring workouts Palileo moved sophomore Amy Anderson from an outside position to handle the No. 2 middle hitting position. Anderson, who averaged 1.45 kills per game in 24 matches last season, now inherits the No. 1 middle spot in Boll's absence, while sophomore Mackenzie Osadchuk, redshirt freshman Emily Rooney and incoming freshman Kathleen Hruska will compete for the second spot.

"Our system is based off the middle, so our season will depend on how these four players develop," Palileo said.

Besides the offensive component of the position, the Jackrabbits will have to fill a huge blocking void as Boll and departed seniors Kim Bostrom and Sarah Biggerstaff combined for 332 blocks last season.

If the blocking totals wane, that will likely

place more pressure on the back row. Senior Sara Doschadis (1.65 digs per game in 2004) and sophomore Samantha Pearson (1.74 dpg) will vie for the libero position vacated by the graduation of Sarah Simet, who set an SDSU single-season record in 2004 with 605 digs. Freshman Justine Olsen also will factor

into the mix as a defensive specialist, while Brookings native Rachel Dahl is a candidate to redshirt this season.

To combat some of the perceived shortcomings, Palileo said the team will have to be more aggressive at the service line. The Jackrabbits averaged nearly an ace and a half per game last year, while committing only 13 more service errors than aces.

The fast-track decision has placed an even greater emphasis on scheduling, as shown in the Jackrabbits' 2005 slate. All 34 of the team's scheduled matches are against Division I opposition, beginning with four matches at the Oregon Kickoff Classic Aug. 26-27 in Eugene, Ore.

"Our schedule this year is going to be pretty tough, but I think we can meet those challenges and compete well against those teams and in those arenas" Palileo said. "Hopefully

that builds some character and mental toughness."

In September, SDSU travels to tournaments hosted by Iowa State, North Dakota State and Wake Forest before embarking on a road trip that includes a stop at Kansas State, which is at the top of the list for teams receiving votes in the CSTV/AVCA Division I Preseason Poll, before returning home to open its six-match home schedule Sept. 27 by hosting Drake (Iowa).

The Jackrabbits close the season in November with the Division I Independent Championships in Greeley, Colo., Nov. 10-12, then head to Long Beach, Calif., for the Baden Thanksgiving Classic with matches against preseason top-25 teams UC Santa Barbara (No. 15) and No. 23 Long Beach State.

Jackrabbits Receive Team Academic Award

The South Dakota State University volleyball team has been honored by the American Volleyball Coaches Association for its work in the classroom with the organization's Game Plan/AVCA Team Academic Award.

"Our team has really worked hard to attain this award and it is a reflection of what type of student-athlete we will continue to bring to South Dakota State," Jackrabbit head coach Andrew Palileo said. "I'm especially proud of our girls' ability to maintain their academic standards through all the travel during the past year."

Teams must maintain at least a 3.30 grade-point average to qualify for the award. The Jackrabbits compiled a 3.378 team GPA during the 2004-05 academic year.

In all, 137 women's teams at the NCAA and NAIA levels received the award. NCAA Division I had the largest contingent with 47 schools, counting SDSU and North Dakota State, which are entering their final year of transition to Division I status in volleyball.

SDSU previously received the AVCA Team

Academic Award in 1998, 1999 and 2000.

2004 Award Winners

South Dakota State University volleyball players reaped the rewards of a successful debut at the NCAA Division I level during the 2004 season as five Jackrabbits earned post-season honors.

Seniors Kim Bostrom and Sarah Biggerstaff were honored both athletically and academically on independent honor squads. A senior middle hitter from Circle Pines, Minn., Bostrom earned first-team all-independent honors after averaging 3.33 kills per game with a single-season school-record .381 hitting percentage. Bostrom added to her accolades by being named to the All-Independent Academic Team with a 3.581 grade-point average in sociology.

About South Dakota State University

With a record enrollment of 10,954 students in the fall of 2004, South Dakota State University is the state's largest institution of higher education.

EARLY HISTORY

Located in Brookings, SDSU was authorized in 1881 by the Territorial Legislative Assembly and serves as the state's land-grant institution. Territorial Council member John O'Brien Scobey, failing to obtain the penitentiary for Brookings, managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school was able to open in the fall of 1884 because the president, George Lilley, was willing to advance \$500 — one-third of his salary — to finish three rooms in the new Central Building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus for a decade and a half.

During the first year of operation, only preparatory classes were held. College classes started in 1885 with five teachers, 17 freshmen and 61 preparatory students. Growth was slow and erratic for many years, but by the turn of the 20th century there were 242 students. By 1990, SDSU had an enrollment of more than 9,000 students.

Nearly 50,000 degrees have been granted since the college was chartered in 1881.

COLLEGES ESTABLISHED

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political and domestic economy, and music.

By 1907, the year the name of the institution was changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus.

Reorganization into the five divisions which formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923.

In 1964, when "State College" was renamed South Dakota State University, there were six colleges; today degrees are offered through these eight colleges:

- Agricultural and Biological Sciences

- Arts and Science
- Education and Counseling
- Engineering
- Family and Consumer Sciences
- General Registration
- Nursing
- Pharmacy
- Graduate School

SDSU also offers degree programs through the Sioux Falls Center for Public Higher Education (USDSU). Evening, RDTN, Internet and off-campus courses are coordinated through the Office of Academic Affairs and Outreach.

SDSU BY THE NUMBERS

In its 123-year history, South Dakota State has grown from a campus of 80 acres in 1881 to a 271-acre campus with facilities worth more than \$220 million.

The university owns or leases another 15,000 acres for research throughout the state.

Recently, the Printing and Journalism Building — now named Anson and Ada May Yeager Hall — underwent a \$2.1 million expansion and renovation project.

Other recent campus construction projects have included a \$7 million expansion to Crothers Engineering Hall, the renovation of

Solberg Hall and the building of a \$9 million performing arts center, which opened in the fall of 2002.

A University Student Union expansion and renovation project is in progress and the Enterprise Institute, located on the southwest corner of campus, was completed this past fall. A new residence hall is scheduled to be open in time for the 2005-06 school year.

More than 200 majors, minors and options (see listing on pages 67-68) are available at SDSU with more than 2,500 different course offerings.

Master's degrees are offered in more than 30 areas and doctorates are available in eight fields.

SDSU is accredited by the North Central Association of Colleges and Secondary Schools and numerous departments on campus have earned accreditation from various agencies.

AGRICULTURAL RESEARCH

The university reaches all corners of the state through the Cooperative Extension Service and the Agricultural Experiment Station, offering service seeking to improve the quality of rural life. Also at SDSU are the Center for Innovation, Technology and Entrepreneurship; Engineering (continued on next page)

Experiment Station, Office of Remote Sensing; Water Resources Institute; Engineering and Environmental Research Center; Animal Disease Research and Diagnostic Laboratory; and Northern Grain Insect Research Laboratory.

These units help strengthen the university's growing commitment to research and support of state and local economic development efforts.

The Northern Great Plains Biostress Laboratory, which was dedicated in 1993, houses scientists who focus on research aimed at developing new technologies to protect crops and livestock.

SDSU also has been selected as one of five universities to serve as a regional center for the Sun Grant Initiative. The Sun Grant Initiative is a concept to solve America's energy needs and revitalize rural communities with Land-Grant university research, education and Extension programs on renewable energy and bio-based non-food industries.

Supplementing classroom instruction are the Harding Distinguished Lecture Series, the F.O. Butler Lectures, the Lusk Lecture and the Amdahl, Schultz-Werth and Griffiths endowments.

Students also have the opportunity to choose from more than 100 clubs and organizations active on campus.

SCHOLARSHIPS

A wide range of academic scholarships is available to incoming students, most notably the Jackrabbit Guarantee. This \$1,000 guarantee is available to all new first-time freshmen who score a 24 or higher on the ACT (1110 on the SAT). The scholarship is renewable for up to four years provided the student takes 30 credits at the main campus each academic year and maintains a 2.5 or higher GPA at SDSU.

MUSEUMS AND ATTRACTIONS

The educational opportunities don't end in the classroom or laboratory as South Dakota State University is home to several facilities, including museums and gardens, which highlight South Dakota history and heritage.

The South Dakota Art Museum, which recently completed an expansion, was first envisioned by the South Dakota Federation of Women's Clubs in 1949, and dedicated in 1970. The museum's collections include early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera

Way Marghab linens.

The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota.

The 70-acre McCrory Gardens and South Dakota Arboretum, located south and east of campus, provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation. It is also recognized as an All-American Display Garden, one of only 13 in the nation.

In 1993 McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers.

Since 1985, private contributions have made many new gardens possible including the Rose, Rock, Centennial Prairie, Iris, True Lily, Mum, Native Prairie Collection, Oak Tree Memorial Garden, All-Red Specialty Garden, Peony Garden, Shrub Rose Collection, and Children's Maze.

In August 1994, dedication ceremonies were held for the Mickelson Grove Memorial in honor of former governor and Brookings resident George Mickelson.

In 1982, the area north of the formal garden was dedicated to the planting and testing of ornamental trees and shrubs. The 45-acre site was designated the South Dakota State Arboretum in 1988.

The arboretum's purpose is to test woody plants needed to protect agricultural fields and livestock from the region's harsh environment, to provide hardy trees to shade our towns and cities, and to test ornamental shrubs for both durability and beauty.

The arboretum and gardens are managed by the SDSU Horticulture, Forestry, Landscape and Parks Department. More gardens and tree and shrub collections are being developed.

Perhaps South Dakota State's most recognizable landmark is the 165-foot Coughlin Campanile, the state's largest chimes tower. A climb of 179 steps leads to a panoramic view of the city.

The statuesque structure on the west end of campus was a \$65,000 gift from 1909 engineering graduate Charles Coughlin, who later went on to become head of the Briggs & Stratton Corporation.

Coughlin laid the campanile's cornerstone on

June 10, 1929. Since then, its chimes have called students to classes with the famous Westminster peals.

An alumni-sponsored project to restore the campanile was completed in the summer of 2001.

Adjacent to the campanile, Coolidge-Sylvan Theatre has provided a restful, green haven for students since its dedication by President Calvin Coolidge in September 1927.

Over the years the outdoor amphiteater has been the site of concerts, graduations and inaugurations for university presidents.

Woodbine Cottage, the home of the university president, is a charming example of Queen Anne architecture. Built in 1887 by South Dakota Agricultural College's second president, Dr. Lewis McLouth, the home is crowned by multiple roof lines.

The house also has served as a women's dormitory, music hall and infirmary.

STATE'S LARGEST LIBRARY

The Hilton M. Briggs Library, the state's largest, was opened in 1977 and joined South Dakota's statewide automated library network in 1988. Through the library, users have access to holdings from all 10 of the state's libraries, including official documents and more than 1 million other holdings at Briggs.

THE BROOKINGS COMMUNITY

Today, Brookings is a growing community of about 18,500 people. Located 20 miles west of the Minnesota border and 50 miles north of Sioux Falls in east-central South Dakota, Brookings is situated at the intersection of U.S. Highway 14 and Interstate 29.

The community also is home to several rec-

ognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M), Larson Manufacturing, and Daktronics, a

leading manufacturer of scoreboards and display systems.

Jackrabbit Athletics

South Dakota State University ushered in a new era of athletics on July 1, 2004, as the Jackrabbits officially joined the ranks of NCAA Division I institutions.

With the addition of equestrian as a women's varsity sport in the fall of 2005, SDSU sponsors 20 varsity sports — 11 for women and 10 for men.

Jackrabbit teams currently compete as Division I independents with the exception of football, which plays in the Great West Football Conference.
